Arrival by car

Location in relation to A3

- The Elstead exit is about 5 miles south of Guildford, signposted to Milford and Haslemere.
- When leaving the A3, take the 3rd exit on the roundabout, cross over the A3 on the fly-over, and go straight over the second roundabout.
- You should now be on the road to Elstead (B3001). Continue for approx 1½ miles and then take a turning to the right which is sign posted "Federal Mogul". (If you go into Elstead Village, you will have gone too far).
- After approx 200 meters you will see a turning to the left to the Tanshire Park business centre. There are visitor parking spaces directly in front Ash House (follow the route shown in red on the view below). Alternatively, there are more spaces in the main car park to the left.
- Please ring the door bell marked "Ascom" to gain access to Ash House.
