

# Are you attending Security and Policing 2012?

## Come and say Hi!

Hi my name is Hiral and I will be representing Ascom Wireless Solutions at Security and Policing 2012 in Farnborough between Tuesday the 31st January and Thursday the 2nd February.

If you need any help with your **wireless communication systems** I can help. Even if you are looking for another solution just come and say "Hi" and share a cup of tea and a chocolate biscuit.

Print this off and bring it with you and the tea is on me!

Call me on 07778 463933 if you can't find the **Ascom Wireless Solutions stand F15**.

Or to arrange a lunch or evening meeting with one of our experts please email me on [hiral.chavda@ascom.co.uk](mailto:hiral.chavda@ascom.co.uk).

See you in Farnborough!

Hiral
